POLITICAL CAREER

Gabriel Tanko Kwamigah-Atokple is a dedicated member of the National Democratic Congress (NDC), serving on the National Welfare Committee.

His political career includes a bid for the parliamentary seat of Ketu North, where he emerged as a strong contender.

Despite not winning, Gabriel has remained a steadfast supporter of the Ketu North constituency, contributing significantly to the community's welfare and development over the years. His commitment to the NDC and his constituency showcases his passion for public service and political engagement.

ENTREPRENEURIAL VENTURES SESI-EDEM COMPANY LTD

Kwamigah-Atokple is the CEO of Sesi-Edem Company Limited, a licensed gold mining business in Ghana, regulated by the Precious Minerals Marketing Company (PMMC), and Minerals Commission of Ghana to export gold.

Under his leadership, the company has carved a niche in the gold mining industry, focusing on responsible and eco-friendly mining operations. Sesi-Edem specializes in the purchase, mining, and export of high-quality gold dore bars, trusted by global clients for their commitment to environmental sustainability and legal compliance.

KEY ACHIEVEMENTS

Excellence in Gold Mining: Sesi-Edem is known for delivering top-tier gold products, maintaining a standard of 92% purity in its gold dore bars. The company operates both large and small-scale mining projects with an emphasis on environmental stewardship.

Global Exporter of Gold: Sesi-Edem exports gold worldwide, ensuring compliance with international standards, including quality assurance and legal protocols. The company

partners closely with government regulatory agencies to uphold the integrity of its products.

Eco-Friendly Gold Mining: Committed to Sustainable Practices and Environmental Stewardship. Leading the Way in Responsible Gold Mining Operations.

SERVICES

Gold Sale and Purchase: Reliable Transactions Superior Quality. We specialize in buying gold from licensed miners and refining it to the highest industry standards. Our secure and efficient processes ensure that clients receive premium gold products. Whether you are looking to buy or sell gold, Sesi-Edem guarantees a transparent and reliable transaction experience.

Smelting and Assaying: Precision and Expertise in Every Ounce. Our state-of-the-art smelting and assaying facilities are operated by expert metallurgists and assayers. We meticulously test and refine gold to ensure the highest quality standards are met. Our advanced techniques and rigorous quality control processes result in top-notch gold products that our clients can trust.

Gold Export: Global Reach with Unmatched Compliance. Sesi-Edem exports gold globally, adhering to all legal requirements and quality assurance protocols. We work closely with official government assayers and regulatory agencies to guarantee the integrity and purity of our gold. Our clients can count on us for timely, secure, and compliant gold export services.

Gold Mining: Responsible Mining Exceptional Output. We operate both large- and small-scale gold mining projects in Ghana, producing 92% pure dore bars. Our commitment to

eco-friendly mining practices and strict adherence to Ghana's mining regulations ensures that our operations are sustainable and responsible. Sesi-Edem is dedicated to delivering high-quality gold while protecting the environment and supporting local communities.

Vision and Mission: Sesi-Edem aims to establish itself as the preferred global brand for gold exports from West Africa, with a vision of acquiring additional gold mines in Ghana's Ashanti and Eastern regions.

TK REALTIES

Gabriel's entrepreneurial spirit extends into the real estate sector through his company, TK Realities. The firm is renowned for its high-end real estate projects across Accra, including prime locations such as East Legon Hills and Haasto. TK Realities is focused on delivering exquisite homes that meet modern architectural standards and cater to an elite clientele.

For over a decade, TK Realities has been a trusted name in the real estate industry, dedicated to helping individuals and families find their dream homes. Our journey began with a simple mission: to provide exceptional service and unmatched expertise in the real estate market. Today, we are proud to have fulfilled this mission for countless clients, transforming their dreams of homeownership into reality.

Our Story: TK Realities was founded with a passion for real estate and a commitment to excellence. Over the years, we have grown from a small team of dedicated professionals to a leading real estate company known for our integrity, innovation, and customer-focused approach. Our success is built on a foundation of trust, hard work, and a deep understanding of the real estate market.

MISSION: Our mission is to provide personalized and comprehensive real estate services that cater to the unique needs of each client. We believe that finding the perfect home should be a joyful and rewarding experience. With this in mind, we strive to make the process as smooth and enjoyable as possible, offering expert guidance and support every step of the way.

TK Realities offers a wide range of properties, from cozy starter homes to luxurious estates, all tailored to fit various lifestyles and budgets. Our experienced team is composed of knowledgeable professionals who are passionate about real estate and dedicated to providing exceptional service.

PHILANTHROPY: TANKO FOUNDATION

Gabriel Kwamigah's dedication to societal development is encapsulated in the Tanko Foundation, which he founded in 2020. The foundation is an independent, non-profit organization focused on creating positive social change and empowering communities in Ghana. With a mission rooted in compassion, empowerment, and sustainability, the Tanko Foundation addresses critical issues such as education, healthcare, and economic empowerment.

CORE AREAS OF FOCUS

1. Hunger and Poverty Eradication: Through food assistance programs and income-generating projects, the foundation seeks to alleviate poverty and hunger.

2. Youth and Women Empowerment: Tanko Foundation supports mentorship programs, vocational training, and initiatives aimed at promoting gender equality and empowering the next generation of leaders.

3. Educational and Healthcare Support: The foundation provides scholarships, builds infrastructure for schools and healthcare facilities, and promotes access to quality education and healthcare services.

4. Economic and Employment Empowerment: With a focus on financial literacy, job training, and microfinance initiatives, the foundation helps individuals and families achieve economic stability.

5. Agricultural Mechanization and Modernization: Recognizing agriculture as a backbone of the economy, Tanko Foundation supports modern farming practices and equipment access, contributing to food security.

The reputable partnership between Tanko Foundation and the Duamenefa Foundation was birthed just May at the commencement of the 2022 Duamenefa Regional Tournament (DRT), opened by Fafaa 100.3 FM Dzodze, in the Ketu North Municipality of the Volta Region.

As a young and ambitious CEO, my advent collection and passion for talent and rich human potential development, especially among the young ones, drove me to equity sales that grew opportunity to attract so much in the worthwhile bid and causes to explore, nurture, and develop the hidden content across the region through sports and other related activities.

Saturday, August 2019, 2022 saw a huge gathering at the DZOSEC Football Park to witness the grand finale of the well-presented tournament. As a local sponsor of the entire tournament, the Tanko Foundation, among other crucial commitments, funded the gifts and cash awards for the winners of the list to the fifth category. It was a great joy to see

the celebrated occasion graced by very talented professionals like Mr. Emmanuel Ketaman Evortepe, the Chief Executive Officer, also, the Honorable MP (represented), the Casey Throne, Phantherer Personalistic Delegation from the Regional and National Sports Authorities, on the Founding Members.

The long on the cake was the presence for the first time of an international dignitary, Quebec Bishop Lopes Moselville Life Perils, a fifth lawyer, and the Publisher of Football Legal.
